

MAMERN VI--2015: Special Issue MATCOM
CALL FOR PAPERS
(Deadline October 31th 2015)

Selected papers from MAMERN VI-2015 will be published as a Special Issue of the Journal **MATHEMATICS AND COMPUTERS IN SIMULATION** (<http://ees.elsevier.com/matcom/default.asp>).

Submission of an article presented at this conference implies that the **work described has not been published previously, that it is not under consideration for publication elsewhere**, that its publication is approved by all Authors.

All submitted papers will be evaluated according to the standard journal refereeing procedure.

Please keep the following information in mind when preparing your paper for submission:

- The manuscripts should be submitted as soon as possible and definitely no later than **October 31th 2015**.
- The article in **English** should be written in **Latex** using Elsevier's document class "elsart". Instructions for authors can be found at the following link: <http://www.elsevier.com/authors/author-schemas/latex-instructions>
- Use the following guidelines to prepare your paper:
<http://www.elsevier.com/journals/mathematics-and-computers-in-simulation/0378-4754/guide-for-authors>
Please read carefully the pdf file Author information pack
- The article should have carefully checked by somebody whose native language is English or at least speaking fluently English.
- The **pdf file** of your paper should be submitted on the Elsevier Editorial System (EES) - the online submission and peer review tracking system for Mathematics and Computers in Simulation: <http://ees.elsevier.com/matcom/>
- Please read carefully the "**Guide for authors**" for information on how to log into and use EES for tracking the submission of the special issue manuscripts.
- Please select **SI:MAMERN VI--2015** when you reach the "**Article Type**" **step in the submission process**.

If you have any questions or concerns about preparing your paper, please don't hesitate to contact us by sending an e-mail to mamern@univ-pau.fr
